

# Calendar

The Calendar is prepared by the American College of Emergency Physicians Educational Products Division from applications received for ACEP Category I credit. Courses approved for ACEP Category I credit are indicated by ■. ACEP Category I approved credit hours are indicated after each listing.

Color indicates ACEP sponsored or jointly sponsored courses.

For more information contact the Educational Products Division, ACEP, PO Box 619911, Dallas, Texas 75261-9911, (800) 798-1822.

For a list of ACEP Category I approved education materials/programs available for Home Study, contact the ACEP Educational Products Division.

ACEP Category I credit is automatically granted to the ATLS Instructor (26 hr) and ATLS Provider (20 hr) courses when following the American College of Surgeons protocol.

# Interested in GED Accreditation?

Geriatric ED accreditation is possible for ALL hospitals—small and large. It promotes best clinical practices for older adults and has the potential to improve resources for the ED, patient outcomes, coordinate care more effectively, and reduce cost of care.

The American College of Emergency Physicians’ 2018 Research Forum is ACEP’s premier research event, running concurrently with and in the same location as ACEP18.

The *Research Forum* provides research Directors, residency programs, as well as physicians in non-academic settings an opportunity to discuss original research.

At the *Research Forum* you can:

- Present and discuss original research at a national gathering of researchers, teachers, and practitioners of emergency medicine
- Meet, confer, and network in a highly supportive environment

The program format is designed to:

- Provide valuable feedback to all presenters through a presentation/discussion format
- Mentor young researchers by providing a supportive learning environment
- Provide all emergency physicians the latest advances on a wide variety of topics

Conference Highlights:

- Oral presentations followed by a discussion led by a recognized researcher
- All abstracts will be presented electronically grouped by topic and critiqued by a recognized discussant
- Prime Time Practice Changes: Highlights of the 2018 Research Forum featuring a panel of experts discussing abstracts that have significant implications for emergency medicine practice or research

The *Research Forum* will run concurrently with ACEP18. The benefits of this include:

- Free admission to *Research Forum* when you sign up for four days of ACEP18
- Taking one trip to attend both meetings
- Greater exposure to presenters’ research
- Access to favorable hotel rates negotiated for ACEP18
- Admission to the ACEP18 Exhibit Hall

The cost for *Research Forum* presenters is \$257; \$132 for one-day presenters.

If you register for all four days of ACEP’s *Scientific Assembly* (October 1-4), there is no fee to attend *Research Forum* on October 1-3.

For more information or to register: [acep.org/sa](http://acep.org/sa) or call 800-798-1822 ext. 6 or 972-550-0911.
